Total Deposits \$ \_\_\_\_\_

After you have verified and checked off in your check register each deposit, check or other transaction shown on your statement, complete the shaded areas of this form and complete the calculations below to reconcile your checkbook. Be sure to deduct monthly fees, if applicable, and add any dividends.

1. Enter ending balance shown on your statement.

\$ \_\_\_\_\_

2. Enter "Total Deposits" listed above.

\$ \_\_\_\_\_

3. Add totals from #1 and #2 and enter combined amount here.

\$ \_\_\_\_\_

4. Enter "Total Drafts" listed at left.

\$ \_\_\_\_\_

5. Subtract #4 from #3 and enter difference here.

\*\$ \_\_\_\_\_

\* This amount should agree with your check register balance.
